Data Controllers

The Institution may use third parties to carry out activities and related processing of personal data owned by the Institution. In accordance with the provisions of the legislation, these parties ensure levels of experience, ability and reliability such as to guarantee compliance with the current provisions on processing, including the data security profile. The Institution formalizes instructions, tasks and obligations for these third parties with their designation as "Data Controllers". These parties are subjected to periodic checks in order to verify that the levels of guarantee recorded at the time of the initial assignment are maintained.

Authorized subjects for processing

Personal data are processed by internal personnel previously authorized and designated as data processors, who are given appropriate instructions regarding measures, precautions, modus operandi, all aimed at the concrete protection of personal data.

Purpose and legal basis of the processing

The processing of your personal data is carried out by the Municipality of Cento for the performance of institutional functions and, therefore, pursuant to art. 6, paragraph 1, letter e) does not require consent. Personal data are processed for the purposes related to the procedure in question.

Recipients of personal data

Personal data are not subject to communication or dissemination except for the obligations required by law in the context of this competition.

Retention period

The data are retained for a period not exceeding that necessary for the pursuit of the purposes mentioned above. To this end, also through periodic checks, the strict relevance, non-excess and indispensability of the data with respect to the relationship, service or assignment in progress, to be established or terminated, is constantly verified, also with reference to the data provided on your own initiative. The data that, also following the checks, are found to be excessive or irrelevant or not indispensable are not used, except for the possible conservation, in accordance with the law, of the deed or document that contains them.

Provision

The provision of data is optional, but necessary for the purposes indicated above. Failure to provide it will make it impossible to participate in this competition.

I authorize the processing of personal data for the sole purpose of completing the procedures relating to this competition, pursuant to EU Regulation 679/2016 and Legislative Decree 30 June 2003, n. 196 "Codice in materia di protezione dei dati personali" (personal data protection Code) *(tick the corresponding box)*
